

We are sorry, but the B&B has no storage room, so we suggest you to contact BAGS-FREE, which offers a storage service that is definitely more economical and versatile than that offered by the luggage deposit of the Stazione Termini
(<http://www.romatermini.com/en/service/detail/deposito-bagagli/>) .

BAGS-FREE offers a variety of luggage deposit and transport services, described on their website:
www.bags-free.com

By communicating to be our guests you will receive from BAGS-FREE a discount of 15% on their price list.

N.B. If you plan to collect your luggage on the same day, in the calculation of the quote enter 0 in the "days of storage."
